## FROM THE PRESIDENT

I would like to start by welcoming Desley Matthews to the Management Committee. Desley had decided to leave the Committee at last years AGM, but has been persuaded to reconsider. Welcome back Desley.

Sadly, I also need to farewell Robert, our Photography Tutor. Robert is no longer able to commit to a weekly class. He is, however, considering whether he can offer some alternate tutoring on an ad hoc basis. (Cross your fingers, everyone.) Whatever happens, thank you for your help Robert, you will be missed.

On the 14th of March, several Gympie members travelled to Maryborough for Feast With Friends. We met up with Maryborough and Howard members for a tasty lunch and a social chat. We had such a good time, it was 4.00pm before we finally said goodbye and headed for home. The next Feast With Friends is on the Sunshine Coast in June and I am already looking forward to it.

Finally, we will be undertaking a stocktake a little later this year. Now is the time to hunt out all those U3A bits and pieces you vaguely remember putting somewhere at the back of the cupboard or in the corner of the shed. More on this next month.

I look forward to seeing you all next Term, with classes commencing on Monday, 16th April.
