FROM THE PRESIDENT

With a two week break in the month since my last report, not much has been happening. I am starting to plan in earnest for the upcoming Annual General Meeting and the end of year break-up lunch. More details on those will be emailed to members in November.

During the break I met with Fleur Grainger, a member of U3A network Queensland and Vice President of U3A Howard. We spent some time planning an upcoming workshop, for Committee members in the Wide Bay Region, on Disability and Discrimination legislation.

However, the majority of our time was spent getting started building a website for U3A Howard. While there is more to be done before the site goes live, we did make good progress.

This is the last term for 2018 and I wish you all well for the coming months.
