FROM THE PRESIDENT

November was a relatively quiet month. We renewed our website hosting. If you have yet to check it out, please do so, and let me know of anything you would like to see added. We held our AGM, with a few changes to the Committee membership.

Our end of year lunch was held immediately after the AGM. This year it was a bring-a-plate function, with dessert catered. The food laid out proved to be as delicious as it looked. The event wrapped up with some entertainment and a lucky door prize. We were well fed and well entertained. Thank you to everyone who contributed to making the lunch so enjoyable.

On the following Friday we had the last Coffee With Friends for the year. Even this late in the year, we had three new faces at the coffee morning. I hope to see those faces again at our various activities next year. I also hope to see more of all our members in the coming year.

The first event for 2019 will be our Open Day. At the Open Day you can renew your membership, sign up for your classes and see what new classes and social activities we have planned. You can also chat to a member of the Management Committee and share your ideas and comments. See you on 16th January.
